**In Stock & Ready to Ship!**

### 3/32" ID Hose Brass Barb Fittings

In addition to the existing offering of 1/16" ID and 1/8" ID hose barb fittings, a new series of 3/32" ID barb fittings has been added to the Clippard product line. These new fittings are designed to fit Clippard's new URT1-0503 series of 5/32" OD x 3/32" ID 95A durometer urethane tubing or any 3/32" ID hose or tubing with a hardness of 95A durometer or less. Available bulk or in a pack.

11792-4-PKG	Pack of 10	6.05

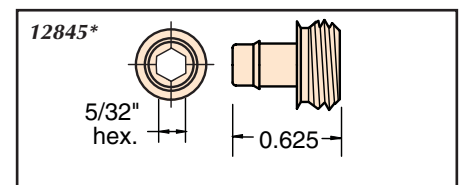

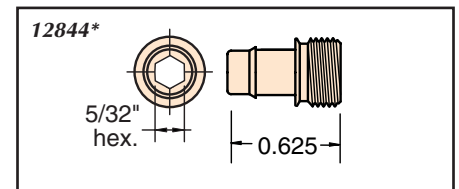

All items available with nickel plating

### 1/4" ID Hose Barb Fittings

Two special fittings have recently been added to be used with 1/4" ID hose or tubing. These new fittings are designed to fit Clippard's new URT1-1208 series of 3/8" OD x 1/4" ID 95A durometer urethane tubing or comparable brand. They adapt 1/4" ID hose to 1/8" and 1/4" NPT pipe threads, and assemble flush in the port providing a minimum dimension for connection. Available in bulk or pack of 10.

12844-BLK	1/4" ID Barb to 1/8" NPT Pipe Fitting, Bulk	\$0.75
12844-PKG	Pack of 10	7.55
12845-BLK	1/4" ID Barb to 1/4" NPT Pipe Fitting, Bulk	1.10
12845-PKG	Pack of 10	11.05

\* Thread sealant must be used with these fittings.
