New Push-Quick Fittings with MJQC Quick-Connect Port

These new fittings combine the quick, easy Push-Quick functionality with the flexibility and security of the Quick-Connect series with no circuit interruption. MJQC Quick-Connect Caps attach to the threaded port allowing for a variety of uses.

Push Quick Fittings → Quick, easy and versatile!

Quick-Connect Fittings → Threaded connection provides for more security. Surface or panel mount capability. No interruption of air supply. No need to purchase plugs.
