

## 44 Electronic Valves – ES, ESO Series Valves

Zytel® is a registered trademark of E.I. DuPont.

Housing is molded Zytel® ST 801 for toughness and rigidity.

Valves feature low power, cool running, quiet operation and fast response time. They convert low voltage, low current signals into high pressure pneumatic outputs.

ESO and similar styles have top M5 threaded fitting for N.C. exhaust or N.O. inlet.

Coils are available with an AMP# 103959-2 pin connection or 0.46 m wire leads which utilize #26 wire.

Clippard ES valves are unique, with only one internal moving part that travels a mere 0.18 mm.

### ES, ESO Series Compact Valves

Valves are small in size with a variety of coil voltages and flow options. Mounting is as close as 22.5 mm on center.
