

## Declaration on Persistent Organic Pollutants (POPs)

10/07/2024

In accordance with Regulation (EU) No. 2019/1021 of the European Parliament and the Council of 20 June 2019 on Persistent Organic Pollutants, this declaration affirms Clippard's commitment to addressing and mitigating the impacts of these substances.

To the best of our knowledge, Clippard does not manufacture, produce or use products that are on the list of Persistent Organic Pollutants. This includes all of the amendments to the list of regulated POPs and updated regulatory requirements before the date of this document. Clippard is dedicated to upholding the principles of the Regulation of Persistent Organic Pollutants that can become a risk to public health and the environment.

Signed,
