

RoHS Compliance Declaration

02/10/2025

This declaration affirms that Clippard Instrument Laboratory, Inc products conform to the RoHS Directive 2011/65/EU, Annex II amended by Directive (EU) 2015/863 RoHS 3. EU RoHS specifies maximum levels for the following 10 restricted substances:

- Cadmium (Cd): <0.01%
- Lead (Pb): <0.1%
- Mercury (Hg): <0.1%
- Hexavalent Chromium (Cr VI): <0.1%
- Polybrominated Biphenyls (PBB): <0.1%
- Polybrominated Diphenyl Ethers (PBDE): <0.1%
- Bis(2-Ethylhexyl) phthalate (DEHP): <0.1%
- Benzyl butyl phthalate (BBP): <0.1%
- Dibutyl phthalate (DBP): <0.1%
- Diisobutyl phthalate (DIBP): <0.1%

To the best of Clippard's knowledge, all suppliers use RoHS compliant material which is based on supplier certifications or material test reports.

The exemption for lead in certain applications under EU RoHS Annex III Section 6(c) remains valid and is under review for extension.

Exceptions with no replacement are: MMA-, MME- and SCM- Products
