

TSCA Compliance Declaration

01/15/2025

This declaration affirms that all products manufactured and sold by Clippard Instrument Laboratory, Inc. are compliant as required under the Toxic Substances Control Act (TSCA), amended by the Frank R. Lautenberg Chemical Safety for the 21st Century Act.

The Environmental Protection Agency (EPA) in January 2021 published rules to reduce exposures to certain chemicals that are persistent, bioaccumulative and toxic (PBT) listed in TSCA Section 6(h):

- Decabromodiphenyl ether (decaBDE)
- Phenol, isopropylated phosphate (3:1) (PIP (3:1))
- 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)
- Hexachlorobutadiene (HCBD)
- Pentachlorothiophenol (PCTP)

To the best of our knowledge, based on Clippard's manufacturing processes, practices and information provided by our suppliers, our process and/or product do not contain the restricted PBT substances listed above.

Ethan Ragouzis, Quality Manager
