## **ROBERT L. CLIPPARD INDUCTED INTO COLERAIN CHAMBER'S BUSINESS HALL OF FAME**

CINCINNATI, OH—October 24, 2017—The Colerain Chamber of Commerce is pleased to present the Business Hall of Fame Award to individuals or organizations recognized by their community and peers for outstanding business practices and community involvement. This year's inductee is Robert (Bob) Clippard. Bob served as Executive Vice President at Clippard until he retired in 2014 after 46 years at the family firm. While leading a successful business, Bob was also instrumental in developing the Clippard YMCA. To this day, he has continued to support the Y's programs.

Throughout the years, Bob has also supported the Colerain Police and Fire departments, and played a role in the Colerain Businesses Against Crime Task Force. He too was among local leaders who advocated for Colerain Township's Community Resource Center. Local schools have received Bob's support as well. To this day, he continues to contribute to the Northwest Local School District and Butler Tech.

Colerain Township is Bob's home, and it's where friends and colleagues know him for his friendly personality and endearing sense of humor. Bob raised five children in the Township and today those children and grandchildren continue to thrive in the community. He appreciates organizations like the Colerain Chamber because it helps bring people together further building a sense of community.

### **ABOUT CLIPPARD**

Founded in 1941, Clippard has long been recognized as a world leader in manufacturing miniature pneumatic components and devices. No other manufacturer can match their level of experience or knowledge of miniature components. In the early 1950's, Clippard introduced miniature pneumatic valves and cylinders to the industry. The company's unparalleled history in providing new and innovative products continues today with advanced manufacturing machines and techniques, experienced design applications and engineers, and an experienced work force that strives to exceed customer expectations.
